### A Patient's Story

Ms.Aarthi, aged 18 is a National level Bronze Medallist, pursuing her studies in Women's Christian College, Chennai.

She recently participated in a Junior National Meet on November 12th, 2016 (Saturday) @ Nehru Stadium, Coimbatore. Unfortunately, she injured her leg

while on track. Unable to bear the pain, with the help of her friends and seniors reference, she came to Ortho-One for treatment. The Doctors diagnosed her and she had to undergo the surgery the same day as her Tibia bone was fractured.

She says “It was like a Home Away from Home Experience. I was taken to the Operation Theatre and the surgery was for about 2 and a half hours. I was watching a cartoon and I did not even feel the operation was going on. I was shifted to the ward and the Doctors and Nurses were very friendly and I was very comfortable. The Hospital atmosphere was very good and the room was cleaned thrice a day. The Doctors motivated me. I am now able to even walk without crutches. Thanks to Dr. David Rajan and Dr. Santosh who gave me a new hope to be in the field again”.
